Kelly Stallings Special Medical Needs Fund
Covering the cost of medical care for animals in need

Kelly Rae Stallings (August 26, 1970 – June 22, 2019) was a kind, empathetic and loving person who cared deeply for animals. The Kelly Stallings Special Medical Needs Fund was established by her family to honor her passion and concern for animals.

Every dollar donated to the Kelly Stallings Special Medical Needs Fund will be used to improve the lives of cats and dogs through compassionate medical care, restoring their health and preparing them for adoption and for a forever family.

I am pleased to support Northeast Animal Shelter’s lifesaving mission by making a tax-deductible gift of:

☐ $25 ☐ $50 ☐ $100 ☐ $200 ☐ $500 ☐ Other $ __________
